Gianluca Carlini

Full Stack Developer

ABOUT ME

Enthusiastic and diligent full stack developer with a solid foundation in computer science and a passion for learning new technologies. Proficient in object-oriented programming concepts and principles acquired through university coursework. Skilled in C# .NET and Node.js programming languages. Eager to apply academic knowledge and expand practical experience in a professional setting. Strong problem-solving abilities, collaborative mindset, and a commitment to delivering high-quality software solutions. Seeking an opportunity to contribute to innovative projects and grow within a dynamic development team.
